Independent limited assurance report on Remuneration Report for the year 2021

To the Management board and Supervisory board of Hrvatski Telekom d.d.

We have been engaged by the Management board of Hrvatski Telekom d.d. ("the Company"), in order to perform, on the basis of the provisions of Article 272r, paragraph 3 of the Companies Act, an engagement expressing a limited assurance on the attached Remuneration Report for the year ended 31 December 2021 ("Remuneration Report") prepared by the Company's Management board and Supervisory board.

Our task, based on the procedures performed and the evidence gathered, is to express a conclusion in the form of an independent report expressing a limited assurance on the examination of the Remuneration Report.

Underlying Subject Matter and Applicable Criteria

The limited assurance engagement relates to the following subject matter on which the following applicable criteria are applied:

- Remuneration Report prepared by the Company for the year ended 31 December 2021 contains data in accordance with the Article 272r, paragraphs 1 and 2 of the Companies Act.

- preparing the Remuneration Report for the year 2021 in accordance with the disclosure requirements of Article 272r, paragraphs 1 and 2 of the Companies Act,
- identifying the individuals to be included in the Remuneration Report in accordance with Article 272r, paragraph 1 of the Companies Act,
- selecting and applying appropriate remuneration policies as well as making judgments and estimates that are reasonable in relation to the data disclosed in the Remuneration Report,
- measurement of remunerations for the year ended 31 December 2021 in accordance with the provisions of Article 272r, paragraphs 1 and 2 of the Companies Act, and
- publishing the Remuneration Report on the Company's website in accordance with the provisions of Article 272r, paragraph 4 of the Companies Act.

The Company's Management board and Supervisory board are responsible for the design, implementation and maintenance of the internal control system which reasonably ensures that the previously described data do not contain material errors, whether due to fraud or error. In addition, the Company's Management board and Supervisory board are responsible for ensuring that the documentation provided to us is complete and accurate.

Our Responsibilities

We conducted our assurance engagement in accordance with the requirements of Article 272r, paragraph 3 of the Companies Act, and in accordance with International Standards for Assurance Engagements (ISAE) 3000 (revised) - Engagements to perform assurance engagements other than audits or reviews of historical financial information. These regulations require that we comply with ethical standards and plan and perform our assurance engagement to form a conclusion based on the evidence gathered as to whether the report contains the information required in accordance with the relevant legal requirements.

We apply International Standard on Quality Control 1 (ISQC 1), and accordingly, we maintain a robust system of quality control, including policies and procedures documenting compliance with relevant ethical and professional standards and requirements in law or regulation.

We comply with the independence and other ethical requirements of the IESBA Code of Ethics for Professional Accountants, which establishes the fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour.

The nature and extent of our procedures were determined based on our risk assessment and our professional judgment in order to obtain limited assurance.

In respect of the subject matter, we have performed the following procedures:

- inquired members of the Management board and Supervisory board and other persons within the Company, to gain understanding of remuneration policies and the process applied in preparing the Remuneration Report;
- received from the Company a list of all members of the Company's Management board and Supervisory board during 2021 and checked whether their remunerations are disclosed in the Remuneration Report;
- reconciled the remuneration data presented in the Remuneration Report with the Company's accounting records (general ledger and subledgers) for the year ended 31 December 2021;
- reviewed, on a sample basis, the relevant documentation of the Company (contracts and payments) related to the remuneration data presented in the Remuneration Report; and
- checked whether the Remuneration Report contains all the data required by the provisions of Article 272r, paragraphs 1 and 2 of the Companies Act.

A limited assurance engagement is substantially less in scope than a reasonable assurance engagement in relation to both the risk assessment procedures, including an understanding of internal control, and the procedures performed in response to the assessed risks.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our limited conclusion.

Limited assurance conclusion

Based on the procedures performed and evidence obtained, nothing has come to our attention that causes us to believe that Remuneration Report for the year ended 2021 prepared by Hrvatski Telekom d.d. does not contain data, in all material respects, in accordance with the Article 272r, paragraphs 1 and 2 of the Companies Act.
